

# 2023 Youth Concerts

## YouTube Links for Study

**IMPORTANT NOTE:** We find that YouTube and other online video services offer many advertisements at the beginning and during the videos it shows. As you are likely aware, the content of these advertisements may not always be suitable for students of the age who attend our Youth Concerts. Consequently, we ask that you exercise caution with each link below, and we encourage you to view each video prior to showing it to your students. Please pre-screen and present the videos in a manner that keeps students from being exposed to inappropriate content.

**MOLLY JOYCE - ADDITIONAL TEACHER RESOURCES:**

Molly Joyce – Going Beyond Ability, TEDxMidAtlantic

In this video, *Going Beyond Ability*, Molly Joyce performs her work, *Form and Deform* (0:00-2:00 and 10:37-17:43), and discusses her musical journey, embracing her disability and its impact on her compositions. The language in her video may be a bit mature for our 4<sup>th</sup> and 5<sup>th</sup> grade audience, but the message would be wonderful for individual music teachers to capture and share with their students as they see fit.
