CHARLOTTESVILLE SYMPHONY
AT THE UNIVERSITY OF VIRGINIA

Exiting the Concert Hall After the Performance

We will dismiss groups in order by proximity to the exits. Please ask your students to sit QUIETLY during our announcements. When your group's name is called, please stand and exit quickly and QUIETLY. Teachers and parents, please lead your group to exit through the same door you used to enter the auditorium, stay together as a group and proceed to load the buses along McCormick Road or to the Central Grounds Garage where your cars are parked.

IMPORTANT NOTE: Please instruct your students NOT to cheer when their school's name is called. Thank you! Keeping things quiet in the auditorium allows students to hear the name of their school as we announce it from the stage. This helps us clear the hall more quickly. Also, it reinforces the good concert etiquette we hope each student will learn through attendance at the performances.
